

Colonial Penn or GBL leads

Hi _____ my name is _____ I work with Bankers Life and Colonial Penn. How are you today?

[Their response, treat them like a human]

You requested some information on life insurance from Colonial Penn. Since I work with both Bankers Life and Colonial Penn, I can often help find options that fit your needs a bit better—or are a tad less expensive than what you received in the mail or saw on tv.

I'll be in your area on _____ and can stop by to review your options so we can pick the best one for you.

Do you prefer mornings or afternoons?

Ok my number should have shown up on your phone if you have any questions give me a call, otherwise I will see you on _____.
